

Mobile Deposit Addendum to the Electronic Banking Agreement

Please carefully review these terms and conditions before proceeding:

As a subscriber to the Farmington Bank Mobile Banking Service (the "Service") this Addendum ("Addendum") amends and becomes a part of the Farmington Bank Electronic Banking Agreement and the Farmington Bank Terms and Conditions of Your Account – [Consumer](#) / [Business](#). The terms of those other agreements (the "Account Documentation") are hereby ratified, affirmed and incorporated herein and shall continue to apply in all respects, as amended hereby. In the event of a conflict between this Addendum and the Account Documentation, this Addendum will govern. Please print a copy of this Addendum for your records.

1. General

This Addendum ("Addendum") to the Farmington Bank [Electronic Banking Agreement](#) between you and Farmington Bank sets forth the terms and conditions of the Service, which allows you to make single item deposits to an eligible account electronically by using a supported mobile device with a camera to create an image of a paper check and transmitting it and the related deposit data to us using the Farmington Bank Mobile Banking App (a "Mobile Deposit").

Except as expressly provided in this Addendum, deposits made through the Service are subject to all limitations and terms set forth in the relevant Account Documentation governing your deposit account as it may be modified from time to time, including, but not limited to, those related to deposit acceptance, crediting, collection, endorsement, processing order and errors.

As used in this Addendum, the term "Business Day" shall mean every day except Saturdays, Sundays and federal holidays. The terms "we", "our" and Bank mean Farmington Bank and the terms "you" and "your" mean the Farmington Bank customer(s) who subscribe to or use the Service.

2. Service Requirements

Use of our Service requires that you have an Internet enabled iPhone, Android phone, or iPad with a camera, be enrolled in our Mobile Banking Service and have downloaded our latest version of Mobile Banking App. In order to enroll in the Service, you must meet the eligibility criteria for the Service as determined by Farmington Bank and have at least one deposit account. Eligibility includes, but is not limited to, being a customer of Farmington Bank for at least 90 days or longer with an active checking, savings, or money market account.

3. Limitations of Service

When using the Service, you may experience technical or other difficulties. Farmington Bank cannot assume responsibility for any technical or other difficulties or any resulting damages that you may incur. Further, we reserve the right to change the qualifications of the Service at any time without prior notice. We have the right to reject any check or item transmitted using the Service and we are not liable for any checks or items not received or for any images that are not readable. Further, we shall have no liability for any alterations to the check or item after it has been transmitted by you. Additionally, we reserve the right to change, suspend or discontinue the Service, in whole or in part, or your use of the Service, in whole or in part, immediately and at any time without prior notice to you.

4. Eligible Check

You agree to scan only paper checks or items that meet the requirements of and are permissible under this Addendum ("Eligible Checks"). If a check or item is dishonored, you will receive an image of the original check or a substitute check as the charged back item. You agree that the image of the check transmitted to us shall be deemed an "item" within the meaning of Article 4 of Connecticut's Uniform Commercial Code.

5. Image Quality

All images of checks transmitted through the Service shall be legible and accurately depict the legal and courtesy amount field, payee, date, check number, drawee information, and memo line designation. In addition you must verify that the Magnetic Ink Character Recognition ("MICR") line is true and accurate in its reproduction on the check image. We have the right to adjust the amount of any deposit based on our review of the image. You agree that Farmington Bank shall not be liable for any damages resulting from a check or item's poor image quality, including those related to rejection of, or the delayed or improper crediting of such a check or item, or from any inaccurate information you supply regarding the check or item.

¹ Business Day – Monday through Friday, except Federal holidays.

6. Deposit Cut off Times

You may access the Service at any time seven (7) days a week, except when the Service is unavailable. If Farmington Bank receives, accepts and approves a Mobile Deposit at or before 7:00 pm Eastern Standard Time on a Business Day, it will be deposited on the same business day. If Farmington Bank receives a scanned item after 7:00 pm Eastern Standard Time on a Business Day or receives an item on Saturday, Sunday, or a federal holiday, the check will be deposited on the next Business Day. Farmington Bank will not be liable to you due to your inability to access and use the Service when it is unavailable.

7. Funds Availability

After the check or item has been scanned and submitted for deposit, you shall not otherwise transfer or negotiate the original check or item, substitute check or any other image thereof.

- Farmington Bank will acknowledge that it has received an item or check by marking it “Pending” within the App but such acknowledgement does not mean that the check or item contains no errors or has been accepted and that any such check or item will only receive provisional credit.
- After a check or item has posted to your account, you agree to prominently mark the original check or item as “Deposited” and the date.
- You agree to keep the deposited check or item for 30 days in the event that it’s needed for verification, and then destroy or otherwise properly dispose of the check(s) and item(s) that have been accepted for deposit through the Service to ensure that such checks and items are not represented for payment and, prior to disposal or destruction, to safeguard such checks and items.
- You agree to promptly supply any information in your possession that Farmington Bank requests regarding a check or item deposited or attempted to be deposited through the Service including the original check or item.

10. Fees

The Service is provided at no charge to you. Upon at least 30 days prior notice and to the extent permitted by applicable law, Farmington Bank may charge a fee for use of the Service. 12. Changes to the Service
